Grand Knight's Report

My Fellow Knights

Brothers, it is hard to believe that a month has gone by so quickly. Things seem to be planned and within a blink of an eye, it is come and gone.

Our first pancake breakfast was successful. Thanks to all who helped out. It was nice to see a few newer faces to the breakfast team! We were a little short at the end for clean up, but we managed. The number of people was down, but once the Sunday School program starts, I'm sure we will have more people staying around between the masses.

Ministry Fair is coming. We need to have a few people to help at our table. As the saying goes, "There is strength in numbers". The more of us showing ourselves, and the things we do, might help to increase our membership.

Remembrance Day is coming, and we need help on this day. You may receive a call to help out in a small way. I hope I can count on you. This event seems to be getting bigger each year. Let's not forget those who serve and have served our country.

Grey Cup is coming! Grant is working on Grey Cup tickets, and hopefully, we should have them soon. To make it a success, we will need to sell all the tickets. Your help is needed! I'm sure most of us can sell a book or two at work, or to friends.

Chaplain's Report

Dear Brother Knights,

Monsignor Jamieson is away and is not available for his entry, he extends his apology.

RECRUITMENT & MAJOR DEGREES

As Knight's one of our responsibilities is to recruit new members. Please spend a moment to consider other Catholic men that you know and who are not Knight's. Have you asked them to join the Knight's? Or alternatively, pass the name on to Bob Girouard or Lawrie Caron.

There are 2 upcoming 1st Degree's one at St. Ignatius on Oct 28 and another at St. John Brebeuf on November 14th. These are convenient locations and it would be a great experience to sponsor and witness a friend's exemplification.

As well if you are a 1st Degree and have not obtained your Major Degree consider taking your Major Degree at St. John Brebeuf on November 14th. Over the past few years our council has hosted a Major Degree at the end of March. This tends to conflict with the school's spring break and many 1st Degree Knights are away with family events at that time. The upcoming Major Degree Exemplification on November 14th may be the ideal time for you to spend a few hours on a Saturday afternoon and receive your 2nd and 3rd Degrees.

Grand Knight's Message

Continued from page 1

It has been a good start! Thanks to everyone who has made it easier for me as your Grand Knight. If you have any ideas of special events, or fund raising ideas, please call me. We are open to suggestions.

MINISTRY FAIR

Can you guess how many Ministries there are at St. John Brebeuf parish?

The Community of St. John Brebeuf will be presenting a **Ministry Fair** following weekend Masses October 24 and 25, 2009 in the Parish Hall, in conjunction with our annual Welcoming Weekend. The purpose of the Fair is three-fold:

- To bring awareness to the many ministry opportunities here at our parish and school for new and established parishioners and school families.
- As a call to action — to bolster the number of volunteers participating in ministry to lighten the load for others.
- To build community.

Our council has been asked to assist in preparing sandwiches and various food trays on the proceeding Friday evening. As well we will need assistance in manning the Knight's table after each of the Masses.

In consideration that many of our members will be involved in manning other Ministry tables please be generous in your time and volunteer.

Attend the Fair and be surprised by the number of Ministries.

A FREE CAR

Can you imagine buying a brand new car from the dealership down the road? Then 15 - 20 yrs down the road when you don't need that car anymore bringing it back for a full refund or better yet for even more money then you paid for it. How would you like a free car?

If I told you that I know a dealership that will guarantee you this, and if that was even possible, you and everybody else would probably be driving a new car today, right?

If you got all your money back, and then some, how much did it cost you? It would have been free, right?

What if I told you could protect your family, and ensure their well being in the event of you untimely premature death without costing you anything!

Would it make you feel better knowing you have provided for your family while building your retirement portfolio? Let me show you how you can get more equity out of your insurance program then you put in.

THE GOOD OF THE ORDER

Please keep Joe & Shelby Brekelmans and family in your prayers as they mourn the recent loss of Shelby's Dad, Wayne Wilson, who passed away in September.

For fellow Knight, Mario Difonzo, who has been diagnosed with cancer and is awaiting surgery. Please remember him in your prayers.

Remembrance Day Service

A **Remembrance Day Memorial Service** will be held at St. John Brebeuf Parish on Wednesday Nov.11th. The service will commence with a video presentation starting at approximately at 10:00 am.

If any member has a relative that served in the military and died during the various conflicts we would be interested in receiving information and a picture, if possible, on that person. We would like to consider using that information during our Memorial Service.

Please contact Grant at 489-3748 or
